Repairs in one year Mr Certain & a reckless & expensive method of keeping these offices in repair by employing the P.W.D. & a little Contractor to complete the repairs of the building. Unless it is definitely known how long the repairs will take & why they have been so long delayed it is not possible to fix a period which alone need can be sanctioned Mr ahead by one year and another year leave Wee for so long a period. The P.W.D. should say definitely when they will finish the repairs of the building & then need sanction only up to that period. [P.W.D. perhaps be desirable if the P.W.D. has not been prompt enough to debit the cost to that dept.]
